Dear Prof. Dr. Wiworo Haryani,

First of all I would like to congratulate for the wonderful research you have done . There are some corrections required in the manuscript, those are as follows:

1) background part: can explain the instrument to measure the quality of life related to the condition of the teeth and mouth. Then explain the difference with digital applications that the author examines.

2) methodological parts:

a) The inclusion criteria is not mentioned in the manuscript.

b) Weather the ethical clearance was obtained from institutional ethical committee? If so then please mention in the manuscript.

Sincerely yours.
